Re: *Sokolow et al. v. Palestine Liberation Organization et al.*,  
04-CV-397 (GBD) (rle)

Dear Judge Daniels,

We represent Plaintiffs in the above-referenced matter. We write to respectfully request that the conference and oral argument on the defendant's motion for partial judgment on the pleadings presently scheduled for August 1, 2012 be adjourned.

Next week we have scheduled in this case eleven plaintiff's depositions, eleven Rule 35 mental exams, and three physical exams. In addition, there is another case involving the same defendant, *Shatsky v. Syrian Arab Rep., et al.* D.C. Dist. Dkt. 02-cv-2280, in which there is a possibility (not in my control) that a deposition will proceed next week in Israel, which would require me to travel to Israel.

In light of the above, it is respectfully requested that the Court reschedule the conference and oral argument to a later date.

I have attempted to obtain consent from defense counsel, but he has not yet responded to my email. Since time is short, I am submitting this request before receiving his response.

**SO ORDERED**

The conference is adjourned to  
August 9, 2012 at 11:00a.m.
